VAI to Exhibit at the 24th Annual Hunts Point Tent Party

VAI to Showcase S2K Enterprise for Food Software at the Largest Food Distribution Center in the US

Ronkonkoma, N.Y. – September 28, 2011 – VAI (Vormittag Associates, Inc.), a leading ERP software provider, today announced the company will showcase its S2K Enterprise for Food Software at the 24th Annual [Hunts Point Tent Party](#). Hosted by the [Hunts Point Economic Development Corporation](#), the event will take place October 5, 2011 from 1 p.m. – 4 p.m. at the New Fulton Fish Market in the Bronx, NY. This delectable event will celebrate the largest food distribution center in the US by recognizing the contributions of the Hunts Point business community through its food, technology and culture. VAI will be among the more than 30 exhibitors that will present industry specific products to over 400 community leaders.

VAI will demonstrate its S2K Enterprise for Food Software, a fully integrated ERP solution, which was specifically designed to help meet the challenges of today's economic environment by automating and integrating business processes across the organization. VAI S2K Enterprise for Food allows businesses to manage enterprise resources, supply chain and customer relationships more efficiently and effectively. S2K Enterprise for Food delivers a comprehensive set of integrated, cross-functional business processes and supplies the following benefits:

- Improves alignment of strategies and operations
- Increases productivity and insight
- Reduces costs through increased flexibility
- Supports changing industry requirements
- Reduces risk
- Improves financial management
- Optimizes IT spending
- Gains higher ROI faster
- Retains top performers
- Provides immediate access to enterprise information
