## **VAI to Exhibit at the National Association of Convenience Stores Show, the Number-One Buying Show in the Country**

### **VAI to Showcase S2K Enterprise for Food Software – A Fully Integrated ERP Solution**

**Ronkonkoma, N.Y. – September 26, 2011** – VAI (Vormittag Associates, Inc.), a leading ERP software provider, is pleased to announce its participation in the 2011 National Association of Convenience Stores (NACS) Show, the number-one buying show in the country. With more than 1,200 exhibitors representing 65 countries, the [NACS Show](#) provides the most comprehensive representation of products and services for the convenience and petroleum retailing industry, which last year reported \$575 billion in total sales. Held at the McCormick Place in Chicago, IL, October 1-4, 2011, the NACS Show draws more than 22,000 attendees.

VAI will showcase its S2K Enterprise for Food Software, which was specifically designed to help retailers/distributors meet the challenges of today's economic environment by automating and integrating business processes across the organization. VAI S2K Enterprise for Food allows distributors to manage enterprise resources, supply chain and customer relationships more efficiently and effectively. S2K Enterprise for Food delivers a comprehensive set of integrated, cross-functional business processes and supplies the following benefits:

- Improves alignment of strategies and operations
- Improves productivity and insight
- Reduces costs through increased flexibility
- Supports changing industry requirements
- Reduces risk
- Improves financial management
- Optimizes IT spending
- Gains higher ROI faster
- Retains top performers
- Provides immediate access to enterprise information

VAI will exhibit at booth number 7618 in the technology section of the solution center. For more information about VAI and its events, visit [www.vai.net](http://www.vai.net) or call 1800-824-7776. For more information regarding the NACS Show, visit [www.nacsonline.com](http://www.nacsonline.com).
